## Longy Civil Works

100% Aboriginal-owned earthworks plant and operator wet hire company located in Yiyili Community in the Kimberley Region. The owner, Kevin Long, is supported by ex-Army Officer Jon Cuypers who helped Kevin establish the company and provides ongoing business management support. We offer new or near-new plant and equipment, and a team of qualified and experienced plant operators from remote communities in the Kimberley Region. Our main effort is creating successful, long-term employment for Indigenous community members.

## Capabilities:

New or near new plant and equipment:

- Wheel loaders – 15 to 30 ton
- Excavators – 14 to 50 ton
- Dozers – 18 to 50 ton
- Backhoes 5.5m dig depth
- Compactors – Cat Soil Compactors
- Smooth drum vibrating rollers – 7 to 20 ton
- Padfoot vibrating rollers – 7 to 20 ton
- Multi tyre pneumatic rollers
- Double drum vibrating rollers
- Water trucks – 14 to 35 kilolitre
- Articulated dump trucks – 30 to 40 ton
- Tipper trucks – 11 to 14m<sup>3</sup>
- Minesite compliant light vehicles

## Corporate Standards:

- WH&S, risk management, environmental and quality processes in-line with ISO
- High-level administration and financial management
- Main Roads WA pre-qualified

## Our Difference:

- 100% Aboriginal owned
- 100% Aboriginal employment
- Employee Value Program sets the conditions for successful, long-term Indigenous employment which in turn enables us to deliver reliable success for our clients. This is a key point of difference with our competitors in the region.

## Key Markets:

- Government infrastructure
- Exploration and mining
- Community civil works

## Customers and Partnerships:

- Main Roads WA (Tanami Upgrade Project)
- Yiyili Community road works
- Partnership with East Kimberley Job Pathways and Ngarranggarni Foundation for remote community training and employment
